

Cabinets

Vertical Cable Management

Cable management accessories are the best way to keep your networking systems tidy and organised, we stock a wide range of accessories including Tidy Panels, Vertical Cable Management (to fit any size cabinet), and Braided Sleeving to stop your cables becoming tangled.

Cable Tidy Panels provide rings that allow patch leads to be supported and prevent them from obscuring other equipment. The panels are available in two configurations; either four rings for horizontal support, or three for horizontal support and two for vertical. Vertical Cable Management offers an ideal way to keep your cabling tidy and maximise airflow, these fit into 800 mm wide cabinets.

Features and Benefits

- Makes installations neater and more professional
- Finished in black to match panels
- Patch lead management
- Air flow management
