

Mobotix Video Technology Solutions

MOBOTIX S16B DualFlex

Flexible. Virtually Invisible Flush-Mount Dual-Lens Camera.

The S16B from MOBOTIX is a weatherproof system that stands out first and foremost for the extremely flexible installation options it offers. Two sensor modules are connected to the concealed camera housing via cables up to three meters long. This makes it possible to discreetly monitor two neighboring rooms with just a single camera.

Features and Benefits

- ONVIF-compliant Mx6 system platform (2nd generation) with H.264, MxPEG+ and M-JPEG
- Image sensor options (via sensor module): 6 megapixels, colour (day) and/or B/W (night) and/or thermal

- Lenses sold separately - ask for details

Ordering Information

Product	Part Number
MOBOTIX S16B Main Body	MX-S16B

Specifications

Colour of product	White
Connectivity technology	Wired
Depth	33 mm
Height	130 mm
International Protection (IP) code	IP66
Operating temperature (T-T)	-40 - 60 °C
Placement supported	Universal
Type	Base unit
Weight	430 g
Width	115 mm
EAN	4047438031400
