Faceplates and Accessories
Keystone Outlet Box

Product Overview

An attractive surface mount housing for one or two keystone outlets. The slick, compact design measuring 56 x 56 x 26 mm; can be used for a multitude of applications requiring surface mounted network outlets, including P.O.S, Wireless Access Points, Smart TV Cabling, Home and Small Office wiring. The keystone fitting allows for the use of standard Cat 5e or Cat 6 outlets. White keystones are available to match the outlets. The Connectix Keystone Outlet Box is supplied with one port blanked off, ready for single port applications. The blank can be easily removed if both ports are required which creates a low cost, highly durable product, for a quick installation turnaround.

Features and Benefits

- Cable entry knock-outs for top or side entry
- Knock-out allows for one or two port application
